ENGINEERING , CONSULTING & CONSTRUCTION COMPANY

MUMBAI, INDIA

Greencad Group is a leading provider of integrated construction solutions, offering a wide range of services under its distinct entities. The group's commitment to excellence is exemplified through its specialized firms:

“Greencad Engineers & Consultants LLP and Greencad Technology”.

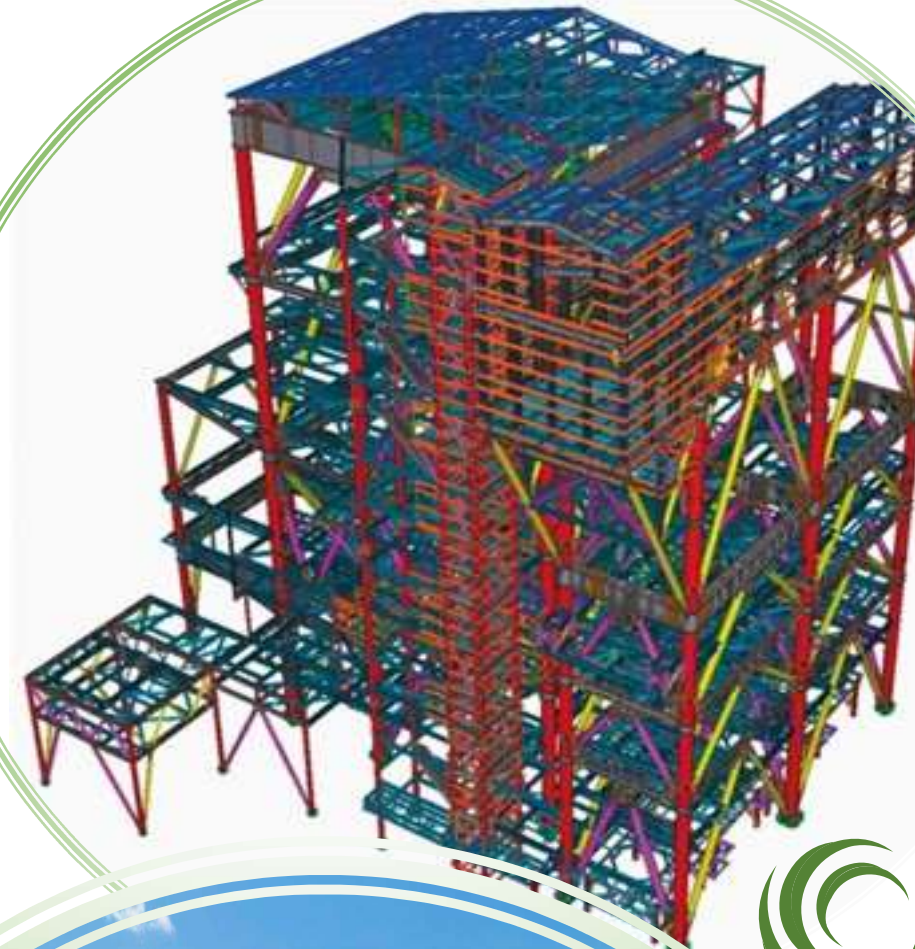

Greencad Group: Providing Comprehensive Construction Solutions

Greencad Technology, the group's technological arm, has been leveraging the latest breakthroughs in structural detailing since 2009. The team works with cutting-edge construction software to create optimal solutions.

Greencad Engineers & Consultants LLP, the group's consulting division, incorporated in 2021 offers comprehensive construction management expertise. This team of experienced professionals provides strategic guidance, technical expertise, and project oversight to ensure the successful execution of construction initiatives.

Complementing the group's consulting services, our contracting division, offers a full suite of construction services. This division is responsible for the physical implementation of projects, drawing on its extensive experience and skilled workforce to deliver high-quality results.

About Us

Vision

To be the preferred choice of our clients by providing end to end services for construction management & delivery

Mission

GEC aims to be a Global organization Delivering Result-Oriented, Cost Effective and Project – Specific solutions to our Clients for various Nature, Complexity and Magnitude of projects resulting in the maximum benefit realizations to client.

Values

Our values are Integrity, Work Ethic, Social Responsibility, Respect, and responsibility towards nation building.

Our Core Team

Mr.M K Sugathan, Founder & Promoter

“A true visionary in the realm of construction, Mr. M. K. Sugathan combines over 50 years of industrial expertise with a keen eye for transformation. Known for his ability to turn underperforming ventures into success stories, he has garnered praise from the industrial construction sector for his steadfast integrity. His track record includes a multitude of large-scale projects executed with precision both in India and abroad, highlighting his unwavering pursuit of perfection. Having held esteemed roles such as Director of Projects and Executive Advisor, he has been instrumental in shaping the strategies of renowned companies across the globe. Fueled by his passion for construction and his commitment to nation-building, he has established a PMC & Contracting firm to further contribute to the industry's growth and development.”

Mr. Sujesh Mundakkal Director

26 Years of experience in Structural Design & detailing for Industrial projects (India & Oversea)

Mr. Dinesh Iyer PMO, head Projects

37 years of experience; targeting strategic level assignments in Contract/Project Management (India & Oversea)

Mr. Sugesh Sugathan Chief Commercial Officer

responsible for leading the commercial strategy and driving revenue growth. Award-winning UX leader of experience designing human-centric digital experiences across BFSI, FinTech, HealthTech, EdTech, and enterprise SaaS.

Mr. Nilesh Jadhav GM, Construction

25 years of rich and qualitative experience in all types of Construction Activities and Construction in the field of Oil & Gas Industry Management (India & Oversea)

Ms. Priti M K Associate Director

nearly a decade of experience in project planning & Design coordination, operation management; high rise residential & commercial buildings, industrial units.

Our Services

M/s Greencad Engineers & Consultant LLP is a much sought-after ISO 9001: 2015 Certified Construction Management Consultancy company specializing in construction functions of multi-discipline projects in Oil & Gas, Power and Petrochemical plants, Chemical Plant, Steel Plants, Cement Plant etc.

Our services include:

- Construction services
- RCC, Steel Design & detailed Engineering.
- Construction Management
- Project Management
- Quantity Survey & Billing Audit, Budget preparing, tracking and cost controlling

We aim to be the most sought-after company for:

- Site Grading, Excavation, Pilling & all type of Foundations/Equipment Foundations
- Asphalt Roads & Concrete Roads
- All type of civil and structural works-specialized in commercial and industrial buildings
- Pre-engineered building (PEB)
- Water Treatment Plant & Sewage Treatment Plant
- Effluent Treatment Plant
- Water storage reservoirs and overhead tanks
- Concrete chimney, cement silo & concrete silo
- Mechanical piping and equipment erection
- Any other similar projects which call for highest standards of quality

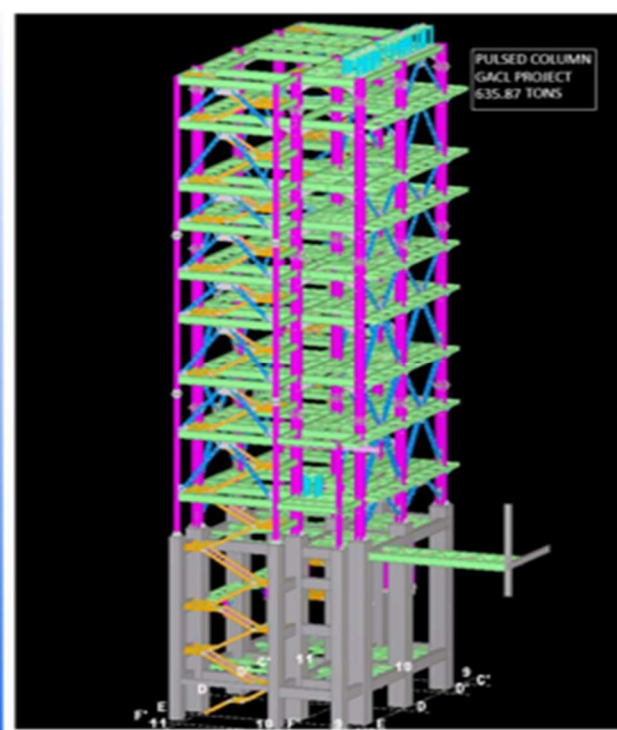

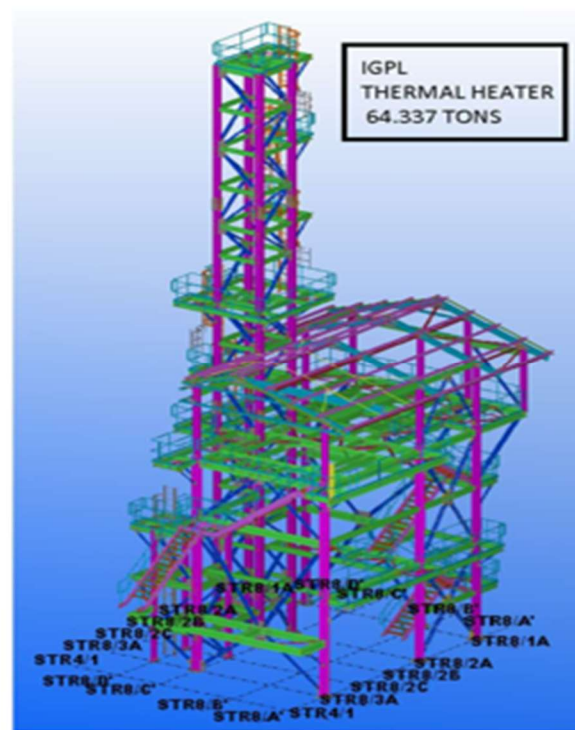

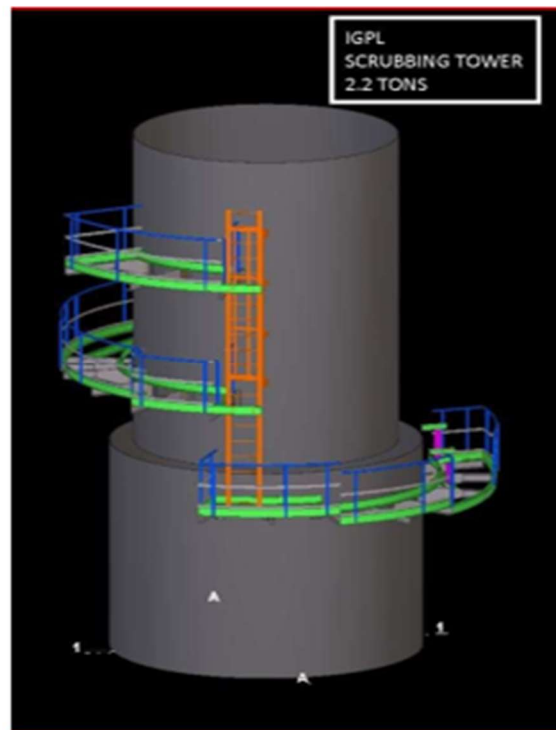

On-going Projects

DEVISION	PROJECT NAME	LOCATION & YEAR	PROJECT DETAILS	BASIC WORK VALUE
CONSTRUCTION	“NMD Reliance Vinyls “ Reliance Industries Limited Client- Onshore Construction Co. Pvt. Ltd.	NAGOTHANE, MH OCT 2024- WIP	Civil foundation, dyke walls & other auxiliary works for tankage plant	38.34 Cr
Design & Construction	Design, Supply & Erection of PEB structure at HP, Pawane, Navi MUmbai	Pawane, Navi Mumbai	Design, Supply & Erection of PEB structure and other maintenance work	1.38 cr
DESIGN	Refinery Plant M/S BPCL, BINA Client : M/s Sterling Electro Enterprises Pvt. Ltd.	BINA, MP SEP 2024-WIP	Design, Engineering & detailing work for PEB Construction Power substation, Foundations of CSS, High mast etc.	0.50 cr
DESIGN	Amonia & Uria Plant East Africa	East Africa	Design, Engineering & detailing , Estimation & Costing work for Non-Plant Building	2.12 cr

STRUCTURAL DETAILING	GRASIM IDUSTRIES LIMITED.	Gujarat	Providing pre-material list, GA and fabrication drawings for 50 KTA Epichlorohydrin Project at Vilayat, Gujrat.
STRUCTURAL DETAILING	KUTCH CHEMICAL INDUSTRIES LTD., Gandhidham, Gujrat	Gujarat	1x60 MW Coal Based Captive Power Plant for Kutch Chemical Industries Ltd. Berth-4 Extension Project At Hazira for Adani Hazira Port Pvt. Ltd.
STRUCTURAL DETAILING	SUPREME PETROCHEM LTD.	Nagothane, Raigad	70 KTPA mABS TRAIN-1 Project –providing GA and fabrication drawings for steel structure, pipe rack, Bridge, Sheds. The total project weighed nearly 1500 MT at Raigad, Maharashtra

Completed Projects

DIVISION	PROJECT NAME	LOCATION	PROJECT DETAILS	BASIC WORK VALUE
BM/PMC	Chemical Plant M/S DCM SHRIRAM (ALKALI & CHEMICALS) Services Done for : Unico Infra Engineers Pvt.Ltd.	Jhagadia, Gujarat		
BM/PMC	Cell house control room, RO plant, Salt Yard, Dechlorination, HCL, Hypo, Flaker Building 1 & 2, CCU, Warehouse, cooling water line, precast culvert.	MAY 2022- MAR 2024	-Estimation, Bidding & Contracts management -Responsible for planning & Execution of the project -Making provisions for vendors, subcontractors, Resources & allocating them to the projects, Delay analysis, Contractual claims etc.	24.70 Cr
BM/PMC	Chemical Plant M/S Gujarat Fluorochemicals Limited Services Done for : Unico Infra Engineers Pvt.Ltd.	Dahej, Gujarat		
BM/PMC	3000 KLD ETP, 200 KLD ETP, MCC room, PVDF substation, DI Plant, VDC plant & Pipe rack, Road work, VDC area Development.	JAN 2023- MAR 2024	-Estimation, Bidding & Contracts management -Responsible for planning & Execution of the project -Making provisions for vendors, subcontractors, Resources & allocating them to the projects, Delay analysis, Contractual claims etc.	12.91 Cr
BM/PMC	Chemical Plant DEEPAK FERTILISERS AND PETROCHEMICAL CORPORATION LTD Services Done for : Unico Infra Engineers Pvt.Ltd. & Unico Constructions	Navi Mumbai		
	Plant K8			
	Civil services for N20 project & construction of RCC pavement in k8 plant		-Bidding & Contracts management	3.56 Cr.
	Civil work-separation SWD & effluent drain,k8 plant	DEC-2022 to DEC- 2023	-Responsible for planning & Exceution of the project	
	Civil Work for New Dryer System at Utility K8		-Making provisions for vendors, subcontractors, Resources & allocating them to the projects, Delay analysis, Contractual claims etc	

Completed Projects

DIVISION	PROJECT NAME	LOCATION	PROJECT DETAILS	BASIC WORK VALUE
BM/PMC	Chemical Plant DEEPAK FERTILISERS AND PETROCHEMICAL CORPORATION LTD Services Done for : Unico Infra Engineers Pvt.Ltd. & Unico Constructions	Navi Mumbai		5.44 Cr.
	Plant K1 & K7			
	<i>Construction of RCC drains all around the Acid plant & ANP plant</i>		-Estimation, Bidding & Contracts management	
	<i>Civil & Structural work of AN Melt (TAN capacity Expansion)</i>		-Responsible for planning & Execution of the project	
	<i>Civil work for upgrading the IPA plant infrastructre for 100% Pharma conversion and WHO GMP certification.</i>		-Making provisions for vendors, subcontractors, Resources & allocating them to the projects, Delay analysis, Contractual claims etc	
BM/PMC	Chemical Plant AARTI INDUSTRIES LTD. Services Done for : Unico Infra Engineers Pvt.Ltd.	Jhagadia, Gujarat	Engineering Project Consultancy, Business Mangement, Construction management.	11.75 Cr
	Civil work for ETP in Ruby Unit	MAY-2021 to DEC-2023	-Estimation, Bidding & Contracts management	.
	Civil work for Gold Unit includes main tank, pipe supports, scrubber chimney, walkway shed, foundations & pedestals		-Responsible for planning & Execution of the project	
	Civil Work for DCM Steam Line Unit includes cooling tower, tank farm, steam pipeline, CPU shed, substation & control room		-Making provisions for vendors, subcontractors, Resources & allocating them to the projects, Delay analysis, Contractual claims etc	
BM./PMC	HEG Electrode Plant M/S HEG Limited Services Done for : Ray Engineering Ltd.	Bhopal, MP	Engineering Project Consultancy, Construction management.	89 Cr
	Civil, structural, and mechanical, pipeline, and equipment erection at the HEG Electrode Plant located in Bhopal, Madhya Pradesh, India Structural Fabrication & Erection- 16000 MT Equipment Erection -3000 MT Pipeline Erection-10KM	OCT-2021 to DEC-2022	-Responsible for planning & Execution of the project -Making provisions for vendors, subcontractors, Resources & allocating them to the projects, Delay analysis, Contractual claims etc

DETAILED ENGINEERING PROJECTS

As a Greencad Technology, Since 2009, a company provides detailed drawings for a broad spectrum of fabrication processes including construction of pipe racks, cable racks, steel structures, crane girders, gantry girders, trusses, circular platforms, handrails, gratings, ladder and staircase.

In a very short period, Greencad has had the privilege to work on projects involving some of the biggest companies in India. We are constantly striving to provide quality within the adhered timelines. We also challenge ourselves to embrace more elaborate projects and to discover our potential as a growing name in the industry.

MUNDRA SOLAR PV LTD., Kutch, Gujrat

MUNDRA PETROCHEM LTD., Kutch Gujrat

Aditya Birla Epoxy India Ltd.

We provided pre-material list, GA and fabrication drawings for their first Epoxy Plant at Vilayat, Gujrat. It consisted of steel structure, pipe rack, cable rack and technological structure detailing of 6000 MT.

ONGC Mangalore Refineries and Petrochemical Ltd.

This project required steel structure, pipe rack, cable rack and trestle drawings during the construction of their Phase III Refinery Project at Mangalore. We completed the project with As built drawings weighing 3000 MT.

BPCL Kochi Refinery

Provided 4000 MT drawings for the construction of their Integrated Refinery Expansion Project at Ambalamugal, kochi ,Kerala.

Kutch Copper Ltd.

Provided structural steel GA and fabrication drawings, NC files & reports along with 3D Model for their 0.5 MTPA Greenfield Copper Refinery Complex at Mundra, Gujarat. The total project weighed nearly 5000 MT.

Kutch Chemical Industries Ltd.

Greencad provided 5000 MT drawings for the construction of their 1x60 MW Coal Based Power plant & 421 MTPD Caustic soda plant.

Our other projects include:

Mundra Solar Energy lilmited - mundra, kutch

Adani Hazira port Pvt. Ltd. – Berth-4 Extension Project.

Lanxess India Pvt. Ltd. – Semi Crystalline Products Project

Indian Oil Corporation – Hydrogen Plant

Supreme Petrochemical Ltd. – Expandable Polystyrene (EPS) Plant

Gujarat Alkalis and Chemical Ltd.

Providing pre-material list, GA and fabrication drawings for their PPA Project & Caustic Soda Plant at Dahej, Gujrat. It consisted of steel structure, pipe rack, Buildings and factory shed detailing 9000 MT (Approx.).

Grasim Industries Ltd.

Their AM India Expansion Project we supplying GA and fabrication drawings for steel structure, pipe rack, cable rack, factory shed and crane girder. The total project weighed nearly 2500 MT at Vilayat, Gujrat.

IG Petrochemicals limited, Taloja

Their PA-V Project GA and fabrication drawings for steel structure, pipe rack, Bridge, Sheds. The total project weighed nearly 1500 MT at Taloja.

Atul limited, Valsad.

Preparing 3D Model, GA and fabrication drawings, NC files & reports for steel structure, for their SPIC-V Plant Projects in Valsad. The total project weighed nearly 1300 MT.

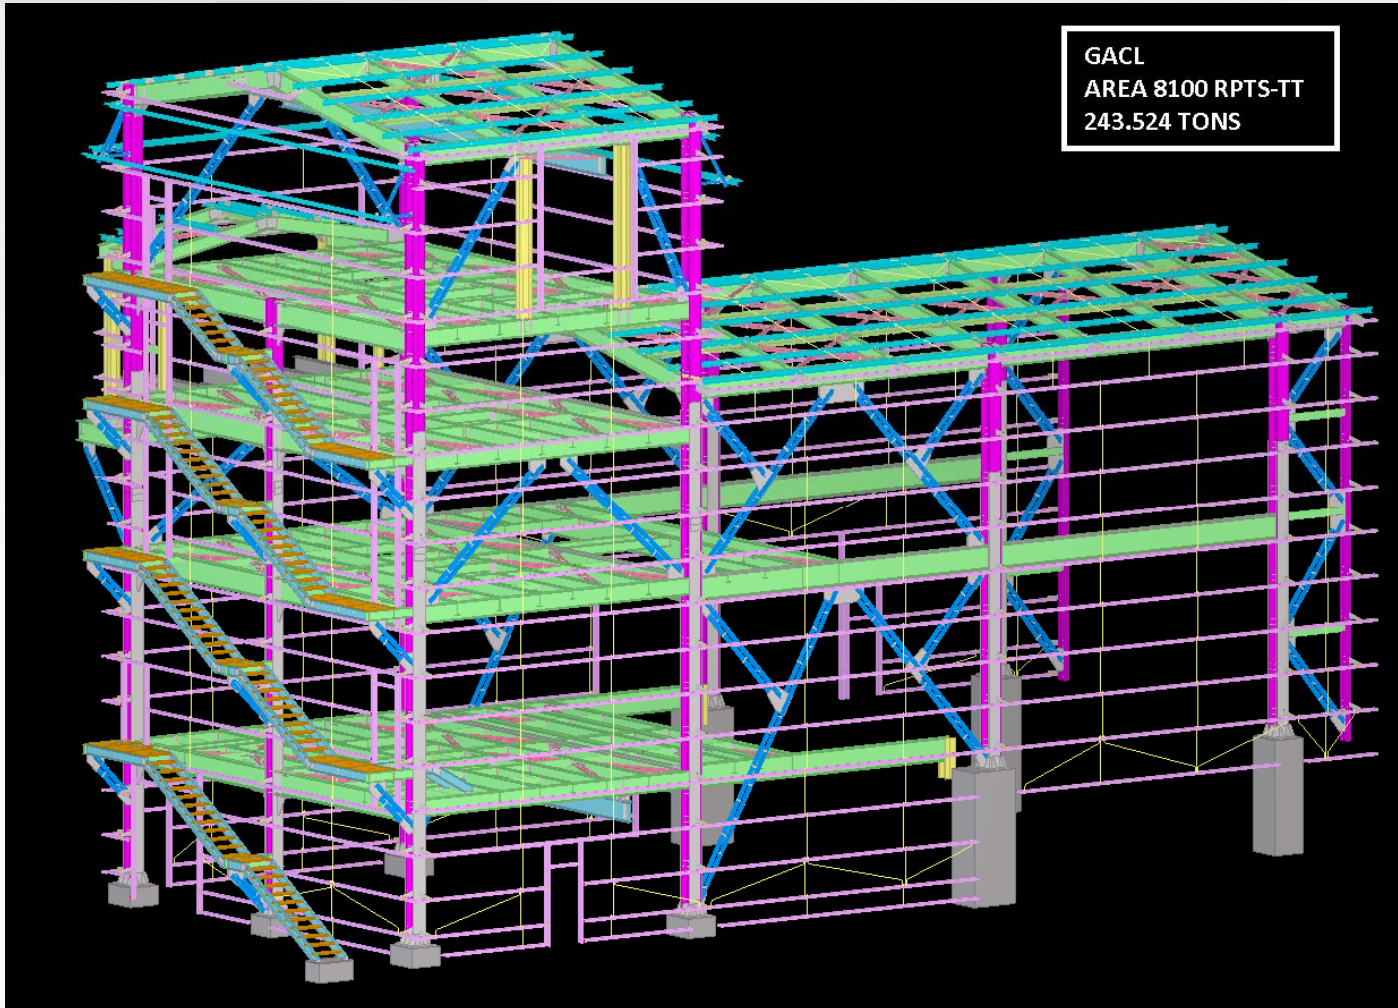

Skoda Auto Volkswagon India Pvt. Ltd.

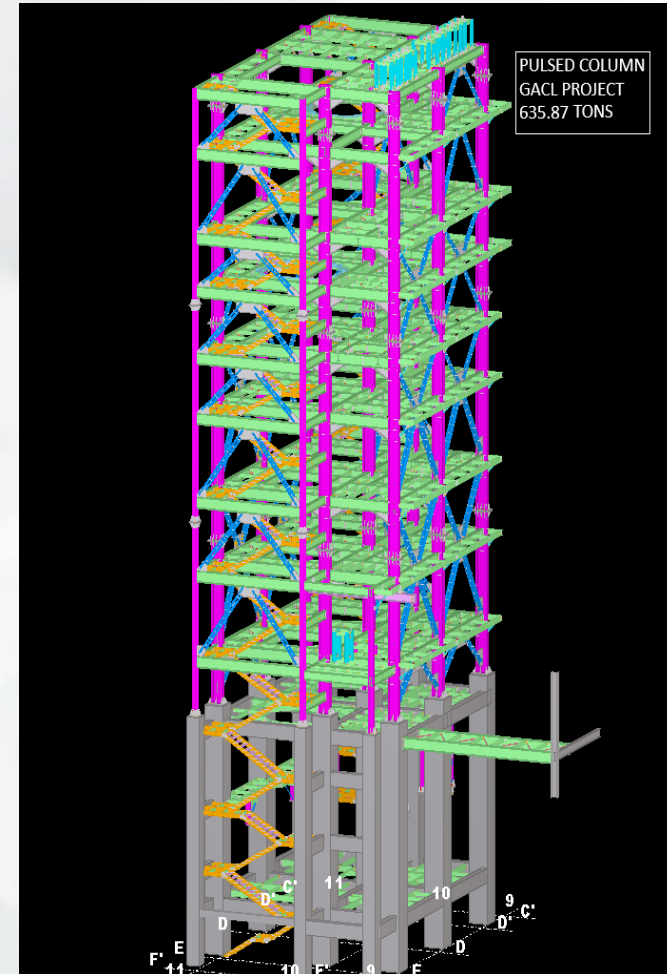

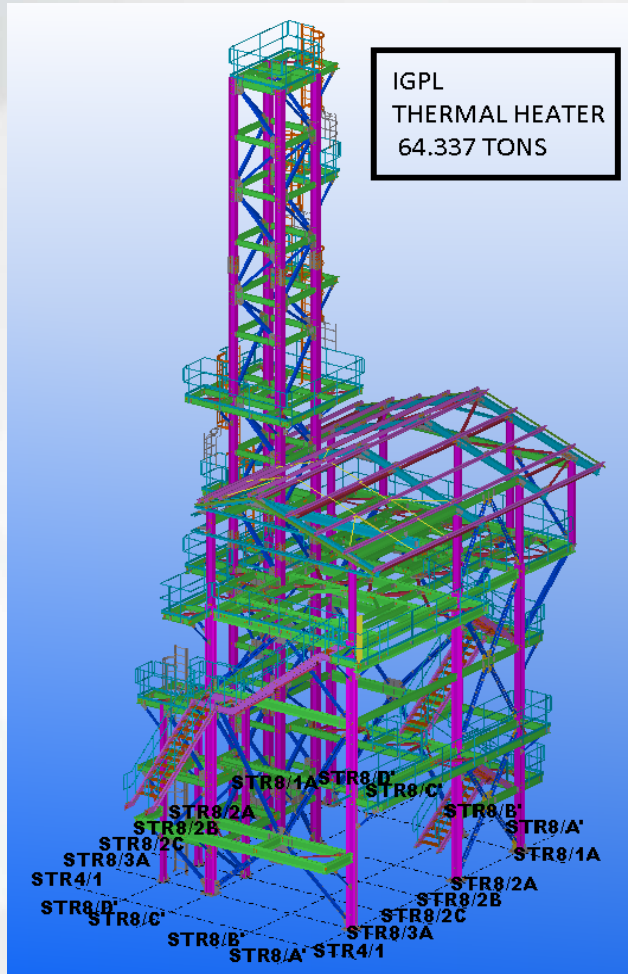

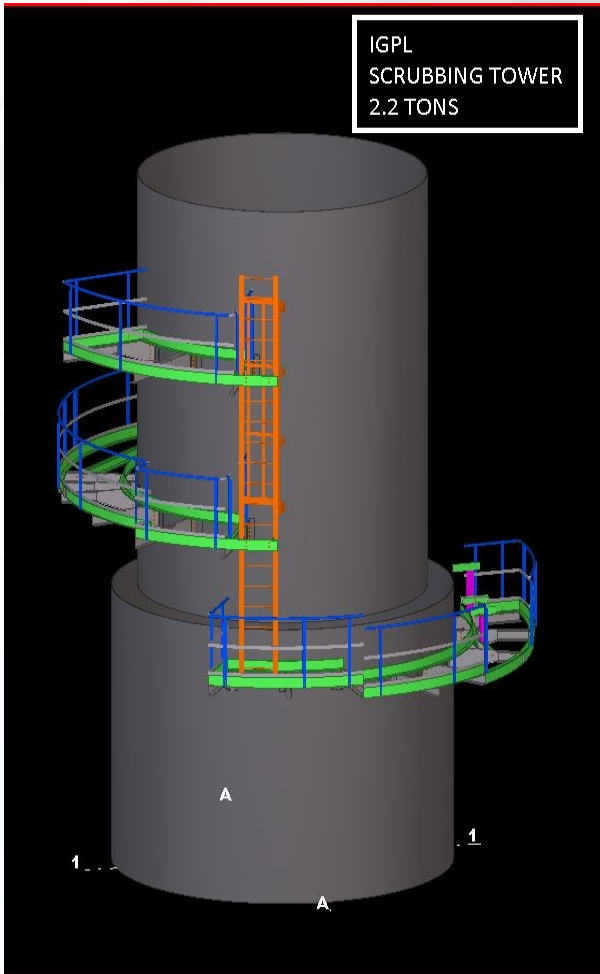

Their India 2.5 Extension Project GA and fabrication drawings for steel structure, pipe rack, Bridge, Sheds. The total project weighed nearly 800 MT at Chakan, Pune.

The integrated Red meat project - sultanate of Oman

Owner: Al bashayer meat co. S.A.O.C. contractor: AL HAJIRY TRADING L.L.C. MECHANICAL ENGINEERING DIVN
